The diagram illustrates a relationship between two entities on the left and one entity on the right. On the left, there are two light green rectangular boxes with a vertical gradient. The top box contains the text 'SMAT S.p.A.' and the bottom box contains 'S.I.A. S.R.L.'. On the right, there is a blue rectangular box with a vertical gradient containing the text 'COMUNE DI CANTOIRA'. Two black lines originate from the right side of the two green boxes and converge at the left side of the blue box, forming a triangular shape that points towards the blue box.
